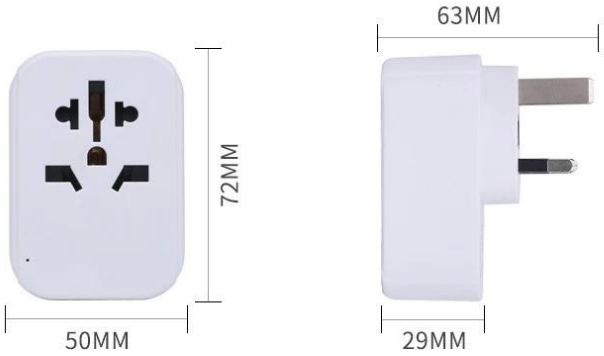
Product Parameters

Product Brand：	Product Model：
WORLDPLUG	830U-UK
Product Name：	Product Input：
UK TRAVEL ADAPTER	100-250V~ 10A MAX
Product Material：	Product Power:
fire retardant PC	2500W MAX
Conductor Material：	USB INPUT：

Conductor Material:	USB INPUT:
Phosphor Bronze	100-250V~, 50-60Hz,0.5A
USB OUTPUT:	
5V⎓2.4A MAX	



WARM TIPS: DUE TO MANUAL MEASUREMENT, THE SIZE MAY HAVE AN ERROR OF 0.1-0.5MM, PLEASE REFER TO THE ACTUAL PRODUCT.

Different Choice , Same Perfection

Different Versions Can Be Selected According to Own Needs

3 Ports USB Fast Charging

Traveling at full power at any time

Single USB Port Support 2.4A MAX
Fast Charge Full Your Devices

1 Hours
Charge Full iPhone 11

Can Charge Apple and Android System

Support the Charging of Apple, Huawei, Xiaomi, Samsung, Oppo, Vivo and Other Brands of Mobile phones, Tablets and Other USB Interface Devices

Silent Charging, Accompany You to Sleep Safely

Excellent Immersion Technology for Transformer and Reasonable Oscillation Frequency Design for Switch.
Deviate from Audio Range, Avoid Noise Source and Reject Current "squeak".

Smart IC, Safe Charging
Charging is not Hot, More Comfortable to Use
High Power Protection
Temperature Protection
Over-voltage Protection
Under-voltage Protection

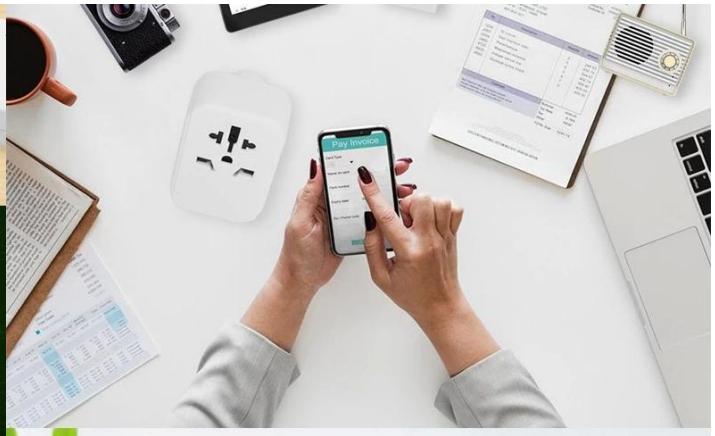
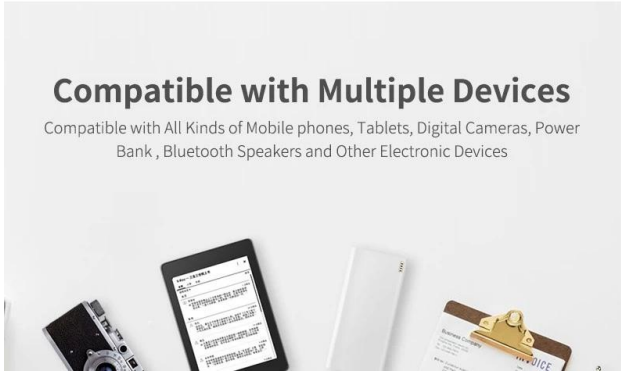
Surge Protection
Short Circuit Protection
Lightning Protection

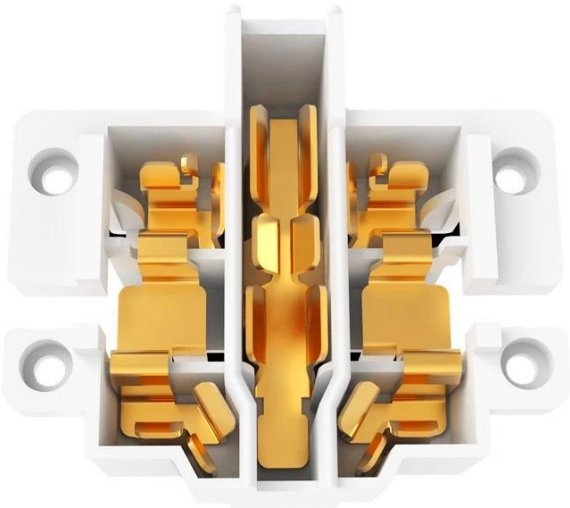


2500WHigh Power
2500WHigh Power : Suitable for Large and Medium Power Electrical Appliances, Such as Hair dryer, Hair Straightener
Compatible:
SUPPORT
2500W
HIGH POWER
OUTPUT

Buit-in 10A fuse
Built-in BS1362 fuse, take the high-power devices more assured.
10A



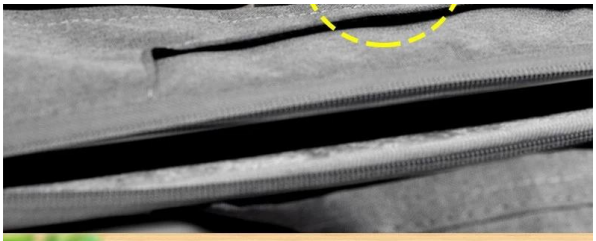
Compatible with Multiple Devices
Compatible with All Kinds of Mobile phones, Tablets, Digital Cameras, Power Bank , Bluetooth Speakers and Other Electronic Devices



High Quality Copper Parts
Elaborate Work and Attentive Operation
High Quality Copper Parts are Selected Inside of the Product, Which Can be Plugged and Pulled Smoothly, And the Stable Current Can be Reduce the Heat

Fire Proof Material, Flame Retardant and High Temperature Resistant

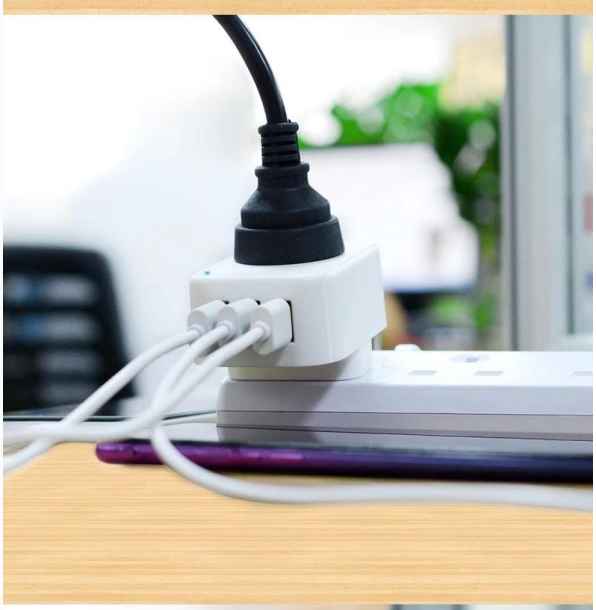
Flame Retardant and Heat-resistant, Safe and Durable

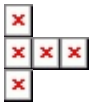


Safety Shutter

Protect Children and the family member Safety

When a finger or sharp object is inserted, the single hole can only be opened with a force of more than 75N (7.5kg), so as to prevent the Children from accidentally contacting the conductor



Compact and Lightweight for Easy Carrying


Compact volume and easy to carry
