Ear Endoscope Installation Methods

1. Find the locating hole at the front end of the camera pen

2. Insert the bent part at the end of the metal ear spoon into the locating hole

3. Push the fixing sheath to the bent part of the ear scoop.
Don't push it to the end, just stop when it's fixed.

Approval Certification:

Union Safety Certification Service
EC Declaration of Conformity

No. 20-120204

The following products have been tested by us with the listed standards and found to comply with the European Community Low Voltage Directive (LVD) 2006/95/EC and 2006/65/EC.

Assessment of compliance of the product with the requirements was based on the following elements:

EN60335-1:2012
EN62233:2008

Applicant : Seletech Electronics co., Ltd
Address : No. 55, Renhe Road, Renhe Town, Baiyun District, Guangzhou, China
Product : Humidity & Temp Sensor
Model No. : AM2301AM2302AM2303AM2304AM2305AM2306AM2307
Input Ratings : 3.3 & 5V
Ref. Test Report : 18020401 001

The statement is based on a single declaration of one sample of above-mentioned products. It does not imply an assessment of the whole production and does not permit the use of the term 'type'. The manufacturer should ensure that all products in same production are in conformity with the product sample declared on the report. The applicant should send the whole technical report in Chinese or the equivalent of the report.

This CE mark should not be used, under the responsibility of manufacturer, after completion of an EU declaration of conformity and compliance with all relevant CE directives.
