The statement is based on a single declaration of one sample of above-mentioned products. It does not imply an endorsement of the whole production and does not prevent the use of the seal on the right. The manufacturer should ensure that all products in same production are in conformity with the product sample declared in this report. The applicant should send the whole technical report of Declaration of Conformity of the sign.

The CE mark should not be used, under the responsibility of manufacturer, after completion of an EC Declaration of Conformity and compliance with all relevant CE directives.
