## Ear Endoscope Installation Methods

1. Find the locating hole at the front end of the camera pen

2. Insert the bent part at the end of the metal ear spoon into the locating hole

3. Push the fixing sheath to the bent part of the ear scoop.  
Don't push it to the end, just stop when it's fixed.

Approval Certification:

**Union Safety Certification Service**  
**EC Declaration of Conformity**

No. 20-120204

The following products have been tested by us with the listed standards and found to comply with the European Community Low Voltage Directive (LVD) 2006/95/EC and 2006/42/EC.

Assessment of compliance of the product with the requirements was based on the following elements:

**EN60335-1:2012**  
**EN62233:2008**

**Applicant** : Seletech Electronics Co., Ltd  
**Address** : No. 55, Renhe Road, Renhe Town, Baiyun District, Guangzhou, China  
**Product** : Humidity & Temp Sensor  
**Model No.** : AM2311AM2302AM2303AM2304AM2305AM2306AM2311  
**Input Ratings** : 3.3 & 5V  
**Ref. Test Report** : 1603043 001

The statement is based on a single declaration of one sample of above-mentioned products. It does not imply an assessment of the whole production and does not permit the use of the term 'type'. The manufacturer should ensure that all products in same production are in conformity with the product sample declared on the report. The applicant should send the whole technical report in Chinese or the equivalent of the report.

This CE mark should not be used under the responsibility of the applicant after completion of an EC Declaration of Conformity and compliance with all relevant CE directives.
