

Descriptions

- Using an electronic micro camera, you can observe the entire process of earwax in real time on a 4.3-inch HD display with a Type-c cable.
- Ultra-small lens, 1080P HD pixels, easy to operate, plug and play, easy to enter the ear canal, see more clearly.
- Medical endoscopes are near-focus products that can be very blurry when the shooting distance is too close or too far. The best focal length is about 1.4-2 cm. The farther away from the viewing distance, the lower the sharpness of the image.
- Multi-functional, it can not only check the ear canal, but also check the eardrum, mouth, gums, throat, nose, hair roots and other body parts.

The latest high quality visual otoscope

4.3-inch 1080P high-definition display, ultra-fine data line transmission, plug and play, easy to operate.

The document is based on a single evaluation of one sample of above mentioned product. It does not imply an assessment of the whole production and does not permit the use of the word 'type'. The manufacturer should ensure that all products in same production are in conformity with the product sample described in this report. The applicant should hold the product technical report or dossier of the component of the type.

The CE mark should not be used, under the responsibility of manufacturer, after completion of an EC Declaration of conformity and compliance with all relevant CE directives.

**QUALITY MANAGEMENT SYSTEM
 CERTIFICATE**

Certificate No.: 0011002140092003002

We hereby certify that
Zhejiang Newoptics Communication Facility Co., Ltd
Selabsan Electronics Co., Ltd
 Wen Yong Industry Zone, Xiaoling, Zhejiang, China

in compliance of its
Quality Management System
 has been awarded this certificate for compliance with the standard
ISO9001:2008
GB/T 19001-2008
 The Quality Management System Applied in the following areas:
 Production and Services of the above-mentioned products.

Exclusive Design and Development Requirement
 Issued on: June 11, 2004 Valid from: July 06, 2019 Valid until: Feb. 08, 2020
 This certificate is only valid for the scope of the certificate and is not valid for other products or services.
 Please refer to the website www.cqc.com.cn for more information.
