# As you can see Close at hand

HD industrial endoscope with screen

HD industrial  
endoscope with screen

**Application scenarios:** widely used in automobile repair, mechanical inspection, pipeline repair, household appliance inspection, house maintenance, wall structure inspection, and sewer/drainage inspection.

**1080P HD image:** 4.3-inch LCD screen is detachable, real 1080p HD image, I67 waterproof endoscopic camera, no need to connect the mobile phone, and real-time viewing of HD photos and videos, quickly solve the problem

**LED light brightness adjustment:** Following the environment situation to adjust LED brightness, then get a best viewing effect. The 5.5mm camera allows you to conduct a comprehensive visual inspection in hard-to-reach areas, even under dark water in the pipeline

**Image 360 degree rotation:** In the process of repairing the pipeline, if you find that the image angle is wrong, you can use the on-screen buttons to adjust the image angle. The endoscope has a built-in 2600 mAh high-capacity battery.,It can work continuously for 3.5 hours.

**Warmly tips:** We have 5.5mm or 8mm lens camera available,if you buy,pls remark which size camera will you need? If you don't remark,our default chooce is 8mm type camera to delivery.
