

Industrial Waterproof Inspection Camera Endoscope for Automotive Repair and Home Use

Product Display

- 4.3-inch full-color LCD screen for real-time viewing of test videos.
- Resolution up to 1080P for image capture, video recording.
- TF card can be installed to achieve file storage function.
- 8mm high-sensitivity waterproof lens with clear image quality for different working environments.

- The auxiliary light source, 8 adjustable LED lights for easy use in dark environments.
- **[Plug and Play]:** Easy to operate, you can use it immediately when it is powered on. No need to use your smartphone to connect the WIFI and no need to download any driver software. So you do not need to worry about dirtying your expensive phone at work too.
- **[1080P and Big Screen]:** 1080P HD Endoscope camera with a 4.3-inch color LCD screen that allows you more convenient to perform live analysis on your application area and to view HD photos and videos instantly. More clearly and troubleshoot the problem effectively.
- **[High-quality Snake Camera]:** IP67 waterproof, 8 adjustable LED lights to ensure a clear image even under dark conditions. Long focal distance (1.6 inch-198 inch) making inspections easier. 5M Semi-Rigid cable is both stiff and flexible. Rechargeable battery, a full charge can work up to 3-4 hours.
- **[Wide Application]:** SELECTECH industrial Endoscope is excellent for inspection in pipes or areas which are not viewable by the naked eye. It is widely used in fields such as car maintaining, mechanical inspection, pipe repair, household appliance inspection, house maintenance, wall structure inspection, and sewer/ drain inspection, etc.
- **[What You Will Get]:** SELECTECH inspection camera package contents: LCD digital endoscope, user manual, USB data cable, and set accessories (include a hook, magnet, protective cap, and side mirror).

FAQ

FAQ

1.Can I visit your factory?

Yes, of course you are warmly welcomed to visit our factory. Please inform us in advance.

2. Which payments are acceptable?

We accept T/T, Paypal, Western Union. Escrow, Trade Assurance ect.

3. How fast can I get the quotation?

We usually quote within 24 hours after we get your inquiry. If you are very urgent to get the price, please call us or tell us in your email so that we will regard your inquiry priority.

4.Can you do the design for us?

Yes. We have a professional team having rich experience in USB wall socket and other smart home electronic design and manufacturing. Just tell us your ideas and we will help to carry out your ideas into perfect electronic products. It does not matter if you do not have someone to complete files. Send us high resolution images, your Logo and text and tell us how you would like to arrange them. We will send you finished files for confirmation.

5.What is your terms of delivery?

We accept EXW, FOB, CIF, etc. You can choose the one which is the most convenient or cost effective for you.

6.What about the lead time for mass production?

Honestly, it depends on the order quantity and the season you place the order. The lead time of 500pcs is about 8 working days. Generally speaking, we suggest that you start inquiry two months before the date you would like to get the products at your country.

7.Can I place sample or small trial order?

Yes, sample order is welcomed for checking product functionality and quality. We also accept small trial order for customer to research their local marketplace.

8. Do your company accept customization service?

OEM/ODM is welcome. We have own factory and excellent design teams, supplying mold tooling and R&D, customize packing, color, logo ect. service.
