

US standard Smart Light Switch, WiFi Light Switch, Wall Outlets with Switches, Wireless Remote Control by Mobile APP, Compatible with Alexa, Google Assistant and IFTTT

WiFi Light Switch with switch

Smart light switches are a great way to start building smart home systems. It allows you to easily control the lights from your smartphone anytime, anywhere. Not only can you save on energy costs and protect your home with a custom timer, but if you install a smart switch at home, you can control all the lights via the ewelink app. You can also experience voice-activated lighting with Alexa or Google Assistant.

Quick and Easy Setup

Light Switch comes with labels, the wall plate, and the necessary accessories for your installation. You can follow the clear direction to complete the wiring and pairing.

It connects to your home's Wi-Fi network. No need for a hub or extra equipment.
