FAQ

1.Can I visit your factory?

Yes, of course you are warmly welcomed to visit our factory. Please inform us in advance.

2. Which payments are acceptable?

We accept T/T, Paypal, Western Union. Escrow, Trade Assurance ect.

3. How fast can I get the quotation?

We usually quote within 24 hours after we get your inquiry. If you are very urgent to get the price, please call us or tell us in your email so that we will regard your inquiry priority.

4.Can you do the design for us?

Yes. We have a professional team having rich experience in USB wall socket and other smart home electronic design and manufacturing. Just tell us your ideas and we will help to carry out your ideas into perfect electronic products. It does not matter if you do not have someone to complete files. Send us high resolution images, your Logo and text and tell us how you would like to arrange them. We will send you finished files for confirmation.

5.What is your terms of delivery?

We accept EXW, FOB, CIF, etc. You can choose the one which is the most convenient or cost effective for you.

6.What about the lead time for mass production?

Honestly, it depends on the order quantity and the season you place the order. The lead time of 500pcs is about 8 working days.

Generally speaking, we suggest that you start inquiry two months before the date you would like to get the products at your country.

7.Can I place sample or small trial order?

Yes, sample order is welcomed for checking product functionality and quality. We also accept small trial order for customer to research their local marketplace.

8. Do your company accept customization service?

OEM/ODM is welcome. We have own factory and excellent design teams, supplying mold tooling and R&D, customize packing, color, logo ect. service.
