Different Choice , Same Perfection

Different Versions Can Be Selected According to Own Needs

USB Version

TYPE-C Version

PD-QC3.0 Version

1 Hours
Charge Full iPhone 11

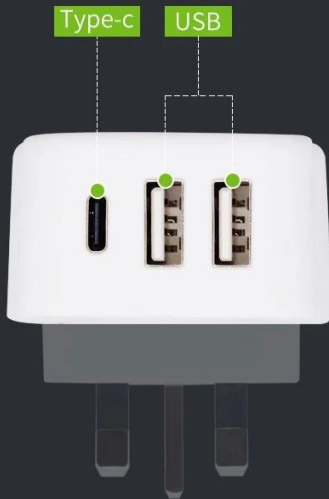

Support PD quick charge

Type - C interface, 15 w power output, save time

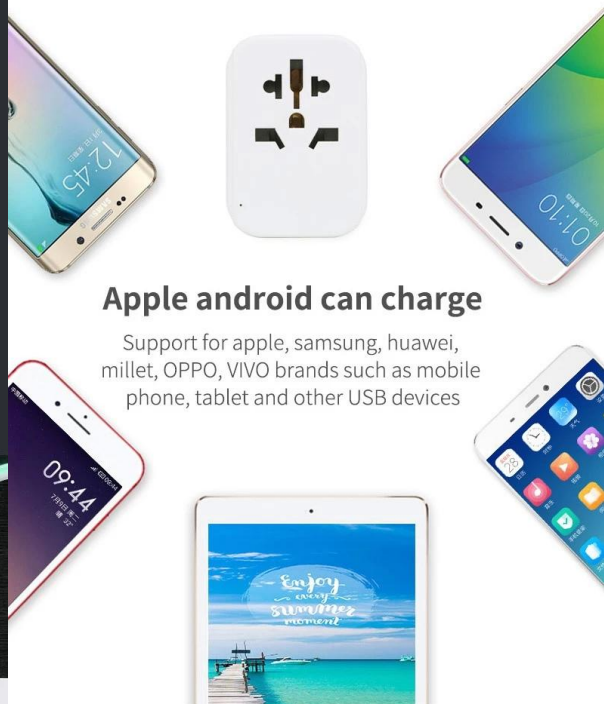

2USB + TYPE-C

Device compatible with extensive, notebook/tablet/phone all can use

Type-c

USB

Apple android can charge

Support for apple, samsung, huawei, millet, OPPO, VIVO brands such as mobile phone, tablet and other USB devices

Travel with full power at any time

no matter how many devices can be charged at the same time .once can charged 4 devices

Silent Charging, Accompany

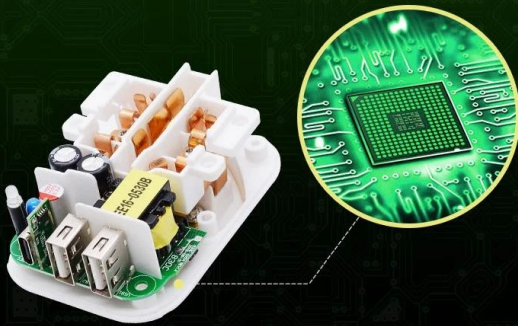

Silent Charging, Accompany You to Sleep Safely

Excellent Immersion Technology for Transformer and Reasonable Oscillation Frequency Design for Switch.
Deviate from Audio Range, Avoid Noise Source and Reject Current "squeak".

Smart IC, Safe Charging

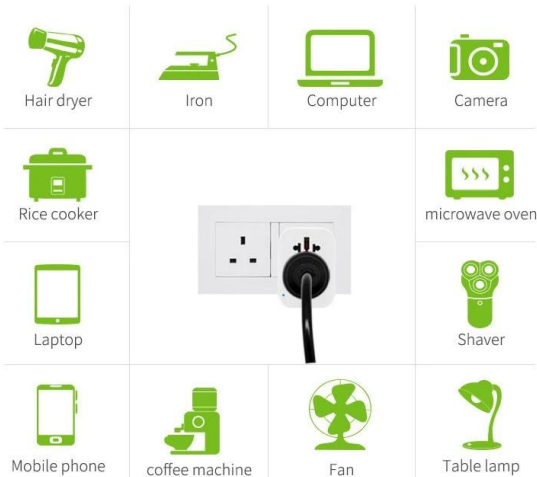

Charging is not Hot, More Comfortable to Use

大功率保护 温度保护 过压保护 欠压保护 过充保护 涌浪保护 短路保护 雷击保护

Support the Use of High-power Electrical Appliances

Suitable for Large and Medium Power Electrical Appliances, Such as Hair dryer, Hair Straightener, Iron, etc.

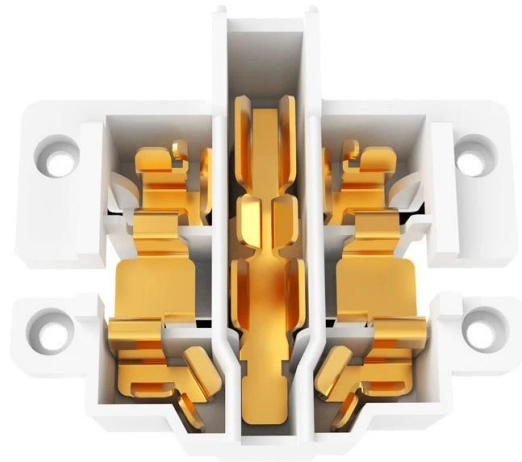

内置10A保险丝

内置BS1362保险丝，大功率用电更放心

High Quality Copper Parts Elaborate Work and Attentive Operation

High Quality Copper Parts are Selected Inside of the Product, Which Can be Plugged and Pulled Smoothly, And the Stable Current Can be Reduce the Heat

Fire Proof Material, Flame Retardant and High Temperature Resistant

Flame Retardant and Heat-resistant, Safe and Durable

Flame Retardant and High
Temperature Resistant Materials

Safety Shutter

Protect Children and the family member Safety
